Dance debut

GOOD news for dance enthusiasts. India's premium dance school Dance India Dance L'il Masters Academy recently opened its wing in Guwahati with a fun-filled ceremony at Pragjyoti, Machkhowa. Promoted by Kidzee and Mount Litera Zee School, it will provide children an opportunity to learn freestyle dance under expert guidance through a structured curriculum. The event witnessed a complete Bihu atmosphere with performances by Kidzee students. Performances by the participants of Dance Bangla Dance show, a popular reality show on Zee Bangla, also added to the thrill. Naveen Kundu of Zee Learn Limited was present at the launching ceremony. Zee Learn's association with the dance show Dance India Dance (DID) L'il Masters has been instrumental in the formation of this dance academy. The academy is open for children of three years to 12 years.
